

# Carers Forum Networking Event

Putting Carers On The Map

Tuesday 11th June 2024 | 10.30am – 1pm

The Hive, 1-3 Arnison Avenue, High Wycombe, HP13 6DD

Are you passionate about local services for carers?

Do you want to help shape services and support for carers in the future?

Are you from a diverse community and don't feel your needs as a carer are being met locally?

Could you champion for other carers who struggle to get their voice heard?

With the focus for this year's Carers Week being "Putting carers on the map", never has it been a better time to ensure your voice is heard around the future of services and support for carers in your community.

We are hosting a series of networking events (online and in-person) over the county in the next few months, which we are launching in Carers Week. Further dates/locations to be announced, including an evening online session.

Lunch will be provided at this session.

To book your place on this session, share details of any accessibility requirements and provide dietary needs, contact us on 0300 777 2722 or [mail@carersbucks.org](mailto:mail@carersbucks.org) by midday on 7th June.
